

Admissions

Financial Aid Information

A Step-by-Step Schedule

Prospective Families

Families of students applying for admission may also apply for financial aid through the online School and Student Service for Financial Aid (SSS) and the school's Financial Aid Office. Families should submit their financial aid application concurrently with their admissions application. To be considered for financial aid, families must have completed their admissions application.

Step 1: Complete Your Parents' Financial Statement (PFS)

Due at time of admissions application

Visit the School and Student Service for Financial Aid website (SSS) at sss.secure.force.com/familyportal to complete the Parents' Financial Statement (PFS) using the St. Anne's School of Annapolis code: 6315. Your PFS will be directly submitted to the School and Student Service for Financial Aid.

Please note: When completing your PFS, remember to include financial data for all parents and stepparents or guardians in all households in which the student resides.

Step 2: Complete St. Anne's School Financial Aid Application

Due at time of admissions application

Complete the two page St. Anne's School of Annapolis Financial Aid Application and submit directly to the school's Financial Aid Office. Applications may be downloaded from St.AnnesSchool.org or may be requested through the Financial Aid Office.

Step 3: Submit a Copy of Your Prior Year's Federal Tax Return

Due April 15, if after April 15, due at time of admissions application

Submit a copy of your prior year's Federal Income Tax Return to the St. Anne's School Financial Aid Office. If you are applying for financial aid after April 15, please submit this information at the time of your admissions application.

Please note: If you estimated your income when completing the PFS, and there is a discrepancy between this estimate and the actual data on your income tax return, the Financial Aid Committee may make an adjustment to any financial aid award previously granted.

If you have any questions about the financial aid process, please contact the Office of Admission at 410.263.8650 ext. 218 or admissions@St.AnnesSchool.org.
