

St. Anne's School of Annapolis Middle School Winter Sports Registration

Students in Fifth through Eighth Grade may participate in the interscholastic basketball program.

St. Anne's School encourages all Middle School students to participate in interscholastic sports. The goals of the athletic program are to develop athletic skills, help the student-athlete understand the importance of commitment, demonstrate an ethic of good sportsmanship and promote a life-long interest in fitness and enjoyment of competitive play. There are no cuts in our sports program.
